Summary

Abdelrahman Gaber
Software Engineer | DEPI Graduate | B.Sc. CS Student at Helwan University

Currently in my third year of Computer Science at Helwan University. As a trainee in the Digital Egypt Pioneers Initiative (DEPI), I focus on building and deploying real-world machine learning models that make a tangible impact.

I thrive on solving challenging problems that connect theory to real-world applications, and I’m always seeking opportunities to enhance my skills .

Experience

Digital Egypt Pioneers Initiative - DEPI
Machine Learning & Data Science
June 2025 - December 2025 (7 months)
Alexandria, Egypt

Education

Helwan University Cairo
Bachelor’s, Artificial Intelligence and Computer Science · (October 2023 - August 2027)
